## PARENT GOVERNOR VACANCY

### Do you have

- An interest in all our children's futures
- Time, energy and enthusiasm
- A desire to make a difference
- Readiness to accept responsibility
- An ability to work as a team
- The willingness to ask questions, listen and learn?

Then you could have what it takes to join the largest volunteer groups in the country by becoming a school governor at Hipsburn Primary.

We have a vacancy for a Parent governor on the governing body and we need a parent or carer of pupils registered at the school to make a difference in our school community by volunteering for this role. Being a Governor is a rewarding and effective way of making a voluntary contribution to your community and to the lives of local young people. Parent governors need to have a child at school and a commitment to the whole school's success and are representatives from the parent community, not spokespersons. As a Parent governor, you will normally hold office for a period of four years, even if your child leaves the school during this time.

### What are Governors?

Governors on the Governing Body are strategic leaders in school and, together with the Headteacher, they set the aims and objectives of the school in line with national guidelines and then monitor progress.

At Hipsburn our governing body constitution states that it will comprise: myself as Headteacher; a staff representative; someone appointed by Northumberland County Council; 2 parents; and 8 co-opted individuals from the community.

Governors oversee the school's budget, resources and performance but are not involved in day-to-day operational decisions, activities, teaching or fundraising. There is a governor of code of conduct that all members must adhere to; a copy can be seen on the Governor noticeboard in the corridor outside the school office.

### Time Commitment

Workloads fluctuate but you can reasonably be expected to dedicate 8 hours per term to your role.

Firstly, we have full governing body (FGB) meetings that all governors attend. They are held in the second half of each term and are independently minuted and supported by our School Governance Officer from Northumberland County Council.

Secondly, we have 2 sub-committees – Strategic Policy and Resources – which are held in the first half of each term. This Parent governor vacancy lies within the Strategic Policy sub-committee.

Dates for the FGB and sub-committee for the remainder of the academic year have already been set and are as follows:

Spring term Sub-Committee Meeting	Tuesday 4 <sup>th</sup> February 2025
Spring term Full Governing Body Meeting	Tuesday 18 <sup>th</sup> March 2025
Summer term Sub-Committee Meeting	Tuesday 29 <sup>th</sup> April 2025
Summer term Full Governing Body Meeting	Tuesday 17 <sup>th</sup> June 2025

You will be required to read briefing papers and minutes ahead of meetings, allow time to complete actions assigned to you and 'report back' as needed.

In addition you will take a 'lead' responsibility e.g. English, Maths alongside another governor and undertake monitoring and evaluation visits, presenting your findings back to the FGB.

There are also 3 Learning Walks per year within school hours that all governors should endeavour to attend - there is no better way to see 'learning in action.'

No previous experience of governance or education is necessary to put yourself forward for this role but some training, provided by Northumberland County Council, is mandatory.

A DBS clearance check will be conducted if you are appointed.

Your employer may allow you paid or unpaid leave to fulfill your duties.
