Dear Parents and Carers,

I would like to update you about some new developments with our Beach School programme.

In the past we have been supported by Bridie from Mudlarks, who moved on to a new venture this summer. We are enormously grateful for her hard work over the years and wish her every success in her new post.

So, this term we have been working very hard behind the scenes to ensure that we are able to continue with a successful Beach School programme. We have:

- Applied for funding from the Burgage Holders of Alnmouth Common.
- Undertaken the appropriate and highest standard of Beach School training. This includes Outdoor, Forest and Paediatric First Aid training
- Worked closely with the Local Authority to adapt thorough Risk Assessments that are completed for each trip.
- Started to plan creative and engaging curriculum activities for each trip.

I am delighted that great progress has been made over the past weeks and we aim to put Beach Schools back into our busy schedule after the half term holiday. We will be in touch soon with dates for each class.

Kind regards,

Mr K. Moloney
