SHOOTING  
COMPETITION

If we can't go to the event...we'll bring the event to you. Be part of something HUGE...take part in our Northumberland School Games Sock Throwing Competition. Have 20 attempts at throwing a pair of socks into a basket from 4-5m away!

We need 16 of our followers to let us know on Facebook that they would like to take part and over the next few weeks compete against the other players in Northumberland. Simply video record your attempt and send it in to us!
